## Report of Principal and School Improvement Council

At Oakland Elementary School we make data-driven decisions that benefit students. We are excited about our 2011-2012 school report card ratings. We maintained an overall rating of average and an improvement rating of good. We are heading in the right direction; however, we are striving to be excellent in all areas! We are working vigorously to ensure that all Oakland Elementary students receive a high quality education. We offer a homework center for students in grades three through five. All groups meet three times a week for two hours each session. During each of these sessions, certified teachers focus on content areas and assist with homework and assignments. MAP (Measures of Academic Progress) data is used to progress monitor individual student growth in these groups.

We use a student concern team (CORE) to address individual student needs. MAP reports, AIMSweb reports, and PASS (Palmetto Assessment of State Standards) data are utilized to identify students who need assistance to reach their maximum potential. Interventions are incorporated into student schedules and progress monitored to ensure that the interventions are yielding desired results. Voyager®, Leveled Literacy Interventions, CompassLearning®, and Headsprout® are examples of interventions used at our school. All students are required to read a minimum of twenty-five books, on their reading level, each year.

All students use agendas for daily homework assignments and parental communication. Teachers conduct required first and third nine weeks conferences with parents of each student in their homeroom. Home school folders go home each Wednesday and our school newsletter goes home every other week. This newsletter details relevant information during that period.

All students have opportunities to receive awards. They earn ribbons for MAP gains and recognition at nine weeks awards ceremonies in grades three through five (perfect attendance, principal's list, honor roll, most improved, and good citizenship awards). A monthly Terrific Kids program recognizes a good citizen from each class. We are a PBIS (Positive Behavioral Interventions and Supports) school and utilize these systems to create a structured, pleasant, and productive learning environment for all students.

All grade levels meet with our school-based instructional support staff and administrators weekly. Teachers and support staff discuss effective instructional practices, design common assessments, and create instructional calendars.

At Oakland Elementary School we are very proud of our students and their success. Working together, our goals for excellence are achievable!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
